

Objective :

Organise an annual challenge for French and overseas LOTAs, rewarded by an e-diploma, with the possibility of obtaining LOTA France Awards over time (levels: Bronze, Silver, Gold, Platinum).

The Annual Challenge :

An annual challenge is organised by the France division and the overseas stations. The aim is to promote radio activity by activating lighthouses (LOTA).

The aim is for the "hunters" to contact as many lighthouses as possible each year and compete for the annual diploma, obtaining one or more AWARDS in the process.

Each year, a new e-diploma will be created, which you can download from the ATFR website - www.alfatango-fr.org

An official log sheet is available. It can be downloaded from the ATFR - www.alfatango-fr.org

Content of The Log :

The principle is based on "In The Log" or "Log", so there are no progressive number exchanges..

Dates of the 2024 Challenge :

The 2024 challenge will run from 01/01/2024 to 31/12/2024.

Restrictions:

There is no LOTA activity during the national and world contests of the ALFA TANGO group. TANGO (CQ11WW, WRM, etc...) as well as on the directives of the HQ of Asti.

QSO Validation :

It is not necessary to send a log sheet to the "hunters". In fact, the activators' logs are enough to record a QSO and count the points acquired by each station.

QSL Exchange:

Each Lota activator can print a QSL.

In this case, the operator wishing to obtain the QSL card must send his QSL directly to the Lota operator and not to the challenge manager.

(The availability of the QSL is indicated in the hunter's log).

Obtaining The Annual Diploma :

E-diplôme (gratuit) est à télécharger sur le site ATFR - www.alfatango-fr.org

The Awards:

4 Awards categories are available:

- Bronze (12 Lota) ;
- Silver (25 Lota) ;
- Gold (50 Lota) ;
- Platinum (80 Lota).

The e-awards are free and can be found online at ATFR. – www.alfatango-fr.org

Récompense des activants et chasseurs :

The first three active operators and hunters will receive a trophy.
